

MISSISSIPPI **Maternal Health** Innovation Task Force

A COLLABORATIVE EFFORT TO IMPROVE MATERNAL HEALTH ACROSS MISSISSIPPI

Who We Are

The Mississippi Maternal Health Innovation (MHI) Task Force is a statewide partnership aimed at enhancing maternal and infant health outcomes through data-driven strategies, improved care systems, and equitable, community-focused solutions.

WHY YOUR VOICE MATTERS

Mississippi faces major maternal health challenges, including limited access to timely care and resources. The MHI Task Force unites diverse perspectives to tackle these issues with innovation, compassion, and collaboration.

What Task Force Members Do:

- Attend quarterly task force meetings for strategy discussions
- Participate in workgroups on key priorities (e.g., care access, maternal mental health, data use)
- Share insights from community and professional experiences
- Contribute to statewide recommendations and action plans
- Collaborate with partners to implement effective solutions

Email: mhitf@mshpi.org

Phone: (601) 398-4406

Learn More: www.maternalhealthms.org

We invite participation from:

- Healthcare providers & clinicians
- Public health professionals
- Community-based organizations & nonprofits
- Advocates & policymakers
- Researchers & data experts
- Community leaders and individuals with lived experience

Key Areas of Focus

- Evidence-based prenatal interventions (e.g., group prenatal care models)
- Improving maternal mental health screening and access
- Enhancing awareness of maternal warning signs
- Increasing Medicaid continuity and access to care
- Strengthening data systems and use for decision-making
